

AKC Fetch

Compiled by Bea Page. Thank you to BCA for titles data. From <https://www.akc.org/fetch/> ...

Fetch was created as another activity in which owners could have fun with their dogs in the AKC Family Dog Program. Earning AKC Fetch titles provides opportunities for both physical and mental exercise. Designed for all breeds, AKC Fetch is a pass-fail noncompetitive test. The four levels of titles (Novice, Intermediate, Advanced, and Retriever) test the ability of the dog to retrieve. In the Advanced and Retriever levels, signals are used to send the dog and a memory component is involved because a retrieving bumper (or ball) is dropped (or thrown) behind a blind where it cannot be seen. For each of the four titles, the dog must pass testing two times, each under a different approved AKC Fetch judge. Launched Feb 2024.
