

AKC REGULAR CLASS OBEDIENCE TITLED BULLDOGS

Compiled by Bea Page

Source for titles earned thru 2013: Mr. Ed Scully, whose source for data was AKC Gazette/Awards publications

Source for titles earned 2014 – 15: The Bulldogger, whose source for data was monthly emailed reports from AKC

Source for titles 2016 forward: The BCA, whose source for data is monthly emailed reports from AKC

Additional Source: AKC's online store records

Deepest gratitude goes to Mr. Scully for preserving & sharing such voluminous & invaluable data. His diligence, dedication & generosity made compilation of a complete list of AKC CD titled Bulldogs possible. Huge thanks to the BCA & all involved in publishing titles data in The BCA's Bulldogger.

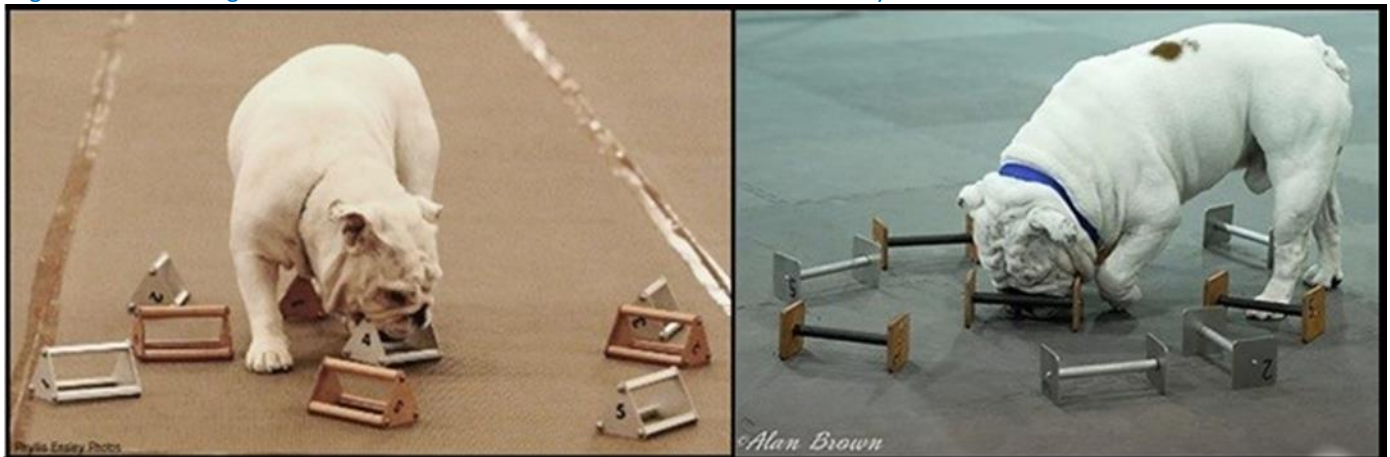

Full data for some dogs with titles earned in the early years of the sport are not available, and a few of the dogs credited with CD's do not have AKC registration numbers; however, all Bulldogs in this file with Obedience titles earned prior to 2014 were recorded by Mr. Scully as having AKC CD titles published in AKC's Gazette/Awards magazine. For historical purposes, this file is as inclusive as possible for all Bulldogs recorded as having been awarded an AKC CD. For most of the dogs whose exact date of titling was not recorded, the year that the title was published by AKC is provided. Data have been checked with AKC's online records; however, very few titles that predate 1986 are in AKC's digital files.

AKC Obedience trials (regular classes) began in 1936. The first CD for a Bulldog, per Mr. Scully's data, was earned in 1940.
