

BULLDOGS WITH AKC S.T.A.R. TITLES (STR)

Compiled by Bea Page Thank you to these sources for titles data: the BCA

The S.T.A.R. (**S**ocialization, **T**raining, **A**ctivity, **R**esponsibility) Puppy program was created by AKC in 2008 as a way for owners to get their puppies off to a good start via in-person, basic training classes. Puppies that complete the 6-week course and pass testing on the skills/behaviors taught by a registered CGC Evaluator earn certification and their owners may apply to AKC (& pay a processing fee) to have a S.T.A.R. certificate issued. On January 15, 2025 AKC began processing S.T.A.R applications as titles (rather than just an award) for those who choose that option and pay the higher title fee. Dogs who are issued a title certificate have STR listed as a suffix to their registered AKC names, and are included in AKC's monthly titles reports. Dogs who pass the testing, but whose owners do not complete the titling process & pay the associated fee, are still considered to be S.T.A.R. puppies, but will not be officially recorded as STR titleholders, and will not have STR listed after their names on AKC documents. To get an old (prior to the 2025 title option launch) certification recorded & published by AKC as a title, owners must apply & pay a fee to have the certification grandfathered in.
